Message From The Principal

Dear Students

Education is not just about passing exams or collecting degrees, it is about shaping who you are and who you choose to become. It is a life long journey that helps you grow, shapes your personality, instills values and lights the way forward in life. It is the foundation that helps you grow, not just intellectually, but emotionally and morally too.

On the threshold of a new session wherein young aspiring students are joining this college, I warmly welcome each one of you to this college. It is a moment of great pride and joy to see young, curious students becoming part of our college.

For us, it is more than just an admission; it is the beginning of a meaningful journey together. I believe in the power of education to inspire change and shape a brighter future. Our college is committed to being that guiding force in your life. It is a place where students are encouraged to dream, to grow and to thrive. Along with academic learning, our college places great emphasis on helping you grow as confident, capable, and responsible individuals. Through many co-curricular and extra-curricular activities like sports, cultural events, NSS camps etc. we aim to nurture qualities like leadership and teamwork. Most of our students come from humble backgrounds and it is our mission to support and guide them so that they not only rise above limitations, but also become thoughtful contributors to society.

In recent years, our college has shown noticeable progress across all fronts - be it academics, culture or social outreach. One of our milestones has been hosting the District Level Youth Festival for four consecutive years, drawing participation of students from all over the District Sirmaur. Achieving this with limited infrastructure and resources speaks a lot about the dedication of our faculty and students. I feel proud of our NSS volunteers, who have carried the college's name to national platforms. Three of our students participated in National Integration Camps held in Gwalior, Thiruvananthapuram and Chandigarh. Eleven volunteers joined Youth Exchange Programs, and eight others attended Skill Development Training Programmes at different centres. These accomplishments reflect the collective spirit, perseverance and potential of this institution. Adding to our pride, the college secured the 19th position among Tier-III Colleges in the SAR Ranking - an initiative by the Government of Himachal Pradesh aimed at encouraging healthy competition among colleges. This recognition is a testament to the collective efforts of our students, faculty and staff and it inspires us to strive for even greater heights.

I warmly invite you all to become a part of this college and help us carry forward the dream with which the college was founded, which was to make higher education accessible to students hailing from this remote and rural area. The recent decline in admissions has become a matter of concern casting a shadow on the future of this institution. But I remain hopeful that this year students from the nearby feeder schools would choose this college - not just for their academic journey, also to support the larger cause.

Dr. Shivani Sharma
Principal

The motto of our college is न हि ज्ञानेन सदृशं पवित्रमिह विद्यते। It is taken from the 4th chapter of *Shrimadh Bhagwat Gita* where in Shri Krishna is advocating the importance of knowledge to Arjun. The logo thus means that there is undoubtedly no other medium in this human world that purifies like knowledge. Problems in life can be solved with the power of knowledge. It sharpens our skills like reasoning and problem-solving. A person can achieve great height in his life if he combines the senses, mind, intellect and ego with self-realization, which can be done only through the channel of knowledge. Our logo very aptly sums up the huge significance of knowledge in a student's life.

The committed faculty members not only support the academic and intellectual growth of students but also contribute profoundly to their personal development and to the overall reputation and smooth functioning of the college. The college has formed a Parents Teachers Association (PTA), which serves as an essential bridge, fostering effective communication and collaboration among parents, faculty and administration.
